Mr. George C. Halvorson, Chair  
First 5 California Children and Families Commission  
2389 Gateway Oaks Drive, Room 260  
Sacramento, CA 95833

Dear Mr. Halvorson:

**Final Report—First 5 California Children and Families Commission, 2013 Financial Audit of the Children and Families Trust Fund and Related Accounts**

The Department of Finance, Office of State Audits and Evaluations, has completed its audit of the First 5 California's Children and Families Trust Fund and related accounts for the fiscal year ended June 30, 2013.

The enclosed report is for your information and use. The financial statements were fairly presented in accordance with generally accepted accounting principles. Because there were no audit findings requiring a response, we are issuing the report as final. This report will be placed on our website.

We appreciate the assistance and cooperation of First 5 California Children and Families Commission, Department of General Services, and State Board of Equalization. If you have any questions regarding this report, please contact Kimberly Tarvin, Manager, or Rebecca McAllister, Supervisor, at (916) 322-2985.

Sincerely,

Richard R. Sierra, CPA  
Acting Chief, Office of State Audits and Evaluations

Enclosure

# EXECUTIVE SUMMARY

---

The Department of Finance, Office of State Audits and Evaluations, performed this audit in accordance with an interagency agreement with First 5 California Children and Families Commission. The objectives of our audit were to:

- Express an opinion on the *Balance Sheet and Statement of Revenue, Expenditures, and Changes in Fund Balance* of the Children and Families Trust Fund (Fund) and related accounts for the fiscal year ended June 30, 2013.
- Verify that the financial statements were prepared in conformity with generally accepted accounting principles for governmental funds.
- Report on internal control and compliance weaknesses, and provide recommendations for improving controls over operations of the Fund and related accounts.

## **Audit Results**

- The aforementioned financial statements are fairly presented for the fiscal year ended June 30, 2013.
- The audit did not identify any reportable internal control or compliance weaknesses.

This report is intended solely for the information and use of the Fund's management, those charged with governance, and the Legislature, and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

## INDEPENDENT AUDITOR'S REPORT

---

Mr. George C. Halvorson, Chair  
First 5 California Children and Families Commission  
2389 Gateway Oaks Drive, Room 260  
Sacramento, CA 95833

We have audited the accompanying financial statements of the governmental activities of the First 5 California Children and Families Trust Fund (Fund) and related accounts for the year ended June 30, 2013, and the related notes to the financial statements, as listed in the table of contents.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinion.

In connection with our audit, there are certain disclosures required by *Government Auditing Standards*. The Department of Finance (Finance) is not independent of the audited entity, as both are part of the State of California's Executive Branch. As required by various statutes within the California Government Code, Finance performs certain management and accounting functions. These activities impair independence. However, sufficient safeguards exist for readers of this report to rely on the information contained herein.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities of the Fund and related accounts as of June 30, 2013, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Emphasis of Matter**

As discussed in Note 1, the financial statements of the Fund and related accounts are intended to present the financial position and the changes in financial position of only that portion of the governmental activities of the State of California that is attributable to the transactions of the Fund and related accounts. They do not purport to, and do not, present fairly the financial position of the State of California as of June 30, 2013, the changes in its financial position, or where applicable, its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## **Other Reporting Required by *Government Auditing Standards***

### *Internal Control over Financial Reporting*

In planning and performing our audit of the financial statements of the Fund and related accounts as of and for the year ended June 30, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Fund and related accounts' internal control. Accordingly, we do not express an opinion on the effectiveness of the internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did

not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### *Compliance and Other Matters*

As part of obtaining reasonable assurance about whether the Fund and related accounts' financial statements are free of material misstatement, we performed tests of compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of Fund management, those charged with governance, and the Legislature, and is not intended to be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

Richard R. Sierra, CPA  
Acting Chief, Office of State Audits and Evaluations

# NOTES TO FINANCIAL STATEMENTS

---

## First 5 California Children and Families Commission Children and Families Trust Fund and Related Accounts For the Fiscal Year Ended June 30, 2013

### NOTE 1 Reporting Entity and Summary of Significant Accounting Policies

#### A. Definition of Reporting Entity

The Children and Families Trust Fund (Fund) and its related accounts were created by the *California Children and Families Act of 1998* (Act). Programmatic and fiscal oversight for the Act was placed with the First 5 California Children and Families Commission (First 5 California). The Act is intended to promote, support, and improve the early development of children from the prenatal stage to five years of age. The Fund and its related accounts are included as a special revenue fund in the State of California's financial statements.

The programs authorized by the Act are administered by First 5 California and by county children and families commissions. The First 5 California Commission is comprised of seven members. During fiscal year 2012-13, two seats were vacated and filled by new commissioners; one of these appointments was the Commission Chair.

Prior to January 1, 1999, the State Board of Equalization (BOE) was authorized to collect 37 cents for each cigarette pack distributed. On January 1, 1999, section 30131.2 of the Revenue and Taxation Code authorized BOE to collect an additional 50 cents for each cigarette pack distributed, for a total of 87 cents per cigarette pack, as well as a surtax on other tobacco products. Of the 87 cents collected, 50 cents is allocated and deposited into the Fund. The remainder funds Proposition 99 and Breast Cancer programs.

While First 5 California has full responsibility for the program and financial statements, BOE receives, accounts for, and deposits the cigarette and tobacco product tax revenue into the Fund. Further, the Department of General Services performs accounting services for First 5 California.

The Fund was established to provide funding for promoting, supporting, and improving the early development of children from the prenatal stage to five years of age, with emphasis on community awareness, education, nurturing, child care, social services, health care, and research. It primarily functions as a pass-through account which transfers funds to the seven related accounts according to allocation percentages established by the Act. The county commissions receive 80 percent of the funding and First 5 California receives 20 percent, which is allocated to six separate accounts that implement specific functions of the Act, as illustrated in Table 1.

**Table 1: California Children and Families Trust Fund (0623)  
Cigarette Tax Revenue Allocation**

<b>Account</b>	<b>Account Title</b>	<b>Percent Allocation</b>	<b>Account Purpose</b>
0585	Counties Children and Families Account	80%	For allocation to county commissions <sup>1</sup> for the purposes authorized in the Act and in accordance with each county's strategic plan. All county commission expenditures must be incurred in accordance with the provisions of the Health and Safety Code section 130105 (d)(2).
0631	Mass Media Communications Account	6%	For funding communications to the general public utilizing television, radio, newspapers, and other mass media furthering the goals and purposes specified in the Act.
0634	Education Account	5%	For funding education goals and purposes as specified in the Act.
0636	Child Care Account	3%	For funding child care goals and purposes as specified in the Act.
0637	Research and Development Account	3%	For funding research and development goals and purposes as specified in the Act.
0638	Administration Account	1%	For funding administrative costs and other purposes as specified in the Act.
0639	Unallocated Account	2%	For funding any other purposes of the Act, except for administrative costs.

**B. Basis of Presentation—Fund Accounting**

The Fund and related accounts are classified as *Other Governmental Cost Funds* for State of California financial reporting purposes. *Other Governmental Cost Funds* are special revenue funds used to account for revenues restricted by law for specified purposes. The financial statements are presented in accordance with generally accepted accounting principles.

**C. Measurement Focus and Basis of Accounting**

The governmental fund financial statements are prepared using the current financial resources measurement focus and modified accrual basis of accounting. This measurement focus concentrates on transactions that increase or decrease resources available for spending in the near future. Under the modified accrual basis of accounting, First 5 California records revenues when they are measurable and available within the ensuing 12 months. Expenditures are recorded when the related liability is incurred.

---

<sup>1</sup> Each First 5 county commission is allocated funds from Account 0585 based on the number of live births recorded in each county in proportion to the entire number of live births recorded statewide. For the fiscal year 2012-13 allocations, the 2010 birth vital statistics, compiled by the California Department of Public Health, were used as this was the most recent reporting period available.

D. Budget and Budgetary Control

Under Revenue and Taxation Code section 30131.3, the moneys deposited into the Fund are continuously appropriated for the exclusive purpose of the California Children and Families Program.

E. Investment Basis and Allocation of Investment Income

Investments consist of cash in excess of current needs on deposit in the Surplus Money Investment Fund (SMIF). The Fund and related accounts participate in the State of California's Pooled Money Investment Program, whereby cash on deposit in the State Treasury determined to be in excess of immediate needs are transferred to the SMIF for investment purposes. All earnings from investments are apportioned to the contributing fund as provided in Government Code. The participant's shares are valued on an amortized cost basis, which approximates fair value. Because the difference between the amortized cost and fair value are not material, no adjustment has been made in the financial statements.

F. Accounts Receivable

Accounts receivable consists of unbilled earned revenues and revenues collected by BOE but not yet transferred to the Fund as of June 30, 2013. Accounts receivable is recorded net of estimated uncollectible amounts.

G. Revenue

Revenue consists of the taxes collected on the sales of cigarette packs and other tobacco products, interest income earned on funds deposited in the SMIF, and unclaimed checks escheated to the issuing fund.

H. Fund Balance

First 5 California's fund balance classification is restricted according to Governmental Accounting Standard Board Statement Number 54. Restricted fund balances include resources that are subject to constraints that are externally enforceable legal restrictions such as the Act's enabling legislation.

I. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**NOTE 2 Investments**

For disclosures related to investment policy and related investment risk categories, see the State of California Comprehensive Annual Financial Report.

**NOTE 3 Interfund Transactions**

*Interfund Balances*

These balances result from a time lag between the dates that interfund goods and services are provided or reimbursable expenditures occur, transactions are recorded in the accounting system, and payments are made between funds. The Due From Other Funds general ledger account consists of revenue recorded in the originating fund that is pending transfer to another fund for disbursement purposes. The Unallocated Account (0639) includes the clearing account and related reimbursement accruals for expenditures incurred on behalf of the other accounts.

**Table 2: Due From Other Funds**

<b>Fund/Account</b>	<b>Fund/Account Due From</b>	<b>Amount</b>
Fund 0623: Trust Fund

Account 0585: Counties	\$ 360,400,765
Account 0631: Mass Media	27,030,057
Account 0634: Education	22,525,048
Account 0636: Child Care	13,515,029
Account 0637: Research and Development	13,515,029
Account 0638: Administration	4,505,010
Account 0639: Unallocated	<u>9,010,019</u>
Total Operating Transfers In	\$ 450,500,957

**Table 5: Transfers Out**

Transfers Out from Fund 0623 Trust Fund to:	
Related Accounts	\$ 450,500,957
Backfill	<u>15,000,000</u>
Total Operating Transfers Out	\$ 465,500,957

The Fund's Transfers Out represents the sum of the Transfers In to the seven related accounts and the statutorily required backfill of \$15 million for Proposition 99 and Breast Cancer programs. Section 130105 of the Health and Safety Code requires the Fund, on an annual basis, to backfill the loss of funding for certain Proposition 99 (Tobacco Tax and Health Protection Act of 1988) and Breast Cancer Fund programs to offset the revenue loss from declining cigarette and tobacco product consumption resulting from the imposition of additional taxes on cigarettes and tobacco products by the Act. BOE makes the fiscal determination of the backfill amount and transfers the appropriate funds.

**NOTE 4 Department of Developmental Services**

On April 25, 2013, the First 5 California commissioners approved funding in the amount \$15 million (\$10 million from the Mass Media Account and \$5 million from the Research and Development Account) for the Department of Developmental Services to fund new Early Start services.

**NOTE 5 Contingent Liabilities**

BOE is involved in legal proceedings that, if decided against BOE, may result in a loss of funds available for transfer to the various programs supported by tobacco taxes. Specifically, a distributor has filed claims for the periods January 2008 through October 2010, and is anticipated to continue filing claims as the statute of limitations periods approach for each reporting period. Claims filed to date total \$36,529,671. The claims are being prepared for appeals conferences. At this time, it is not possible to predict the ultimate outcome concerning these claims or the amount of any future claims filed on this issue. Therefore, no provision for the potential liability has been made in the financial statements.
