

BUILDING LOCAL CONSORTIA IN QUALITY START RIVERSIDE COUNTY

SHARON A. BASKETT

Riverside County Assistant Superintendent of Schools
Division of Early Learning Services

OUR INITIATIVE

Quality Start is a quality rating and improvement system (QRIS), which creates new opportunities for early educators to receive training, access professional development, and, ultimately, raise the quality of their programs.

OUR VISION

Quality Start brings together educators, families, and community partners around the common goal of making sure that all children birth through five are happy, healthy, and ready for success in kindergarten and beyond.

OUR PARTNERS

WHAT IS THE ROLE OF THE LOCAL PLANNING COUNCIL?

The LPC provides advocacy and resources in the establishment and support of quality, affordable and accessible child care services for children and families in Riverside county through community partnerships.

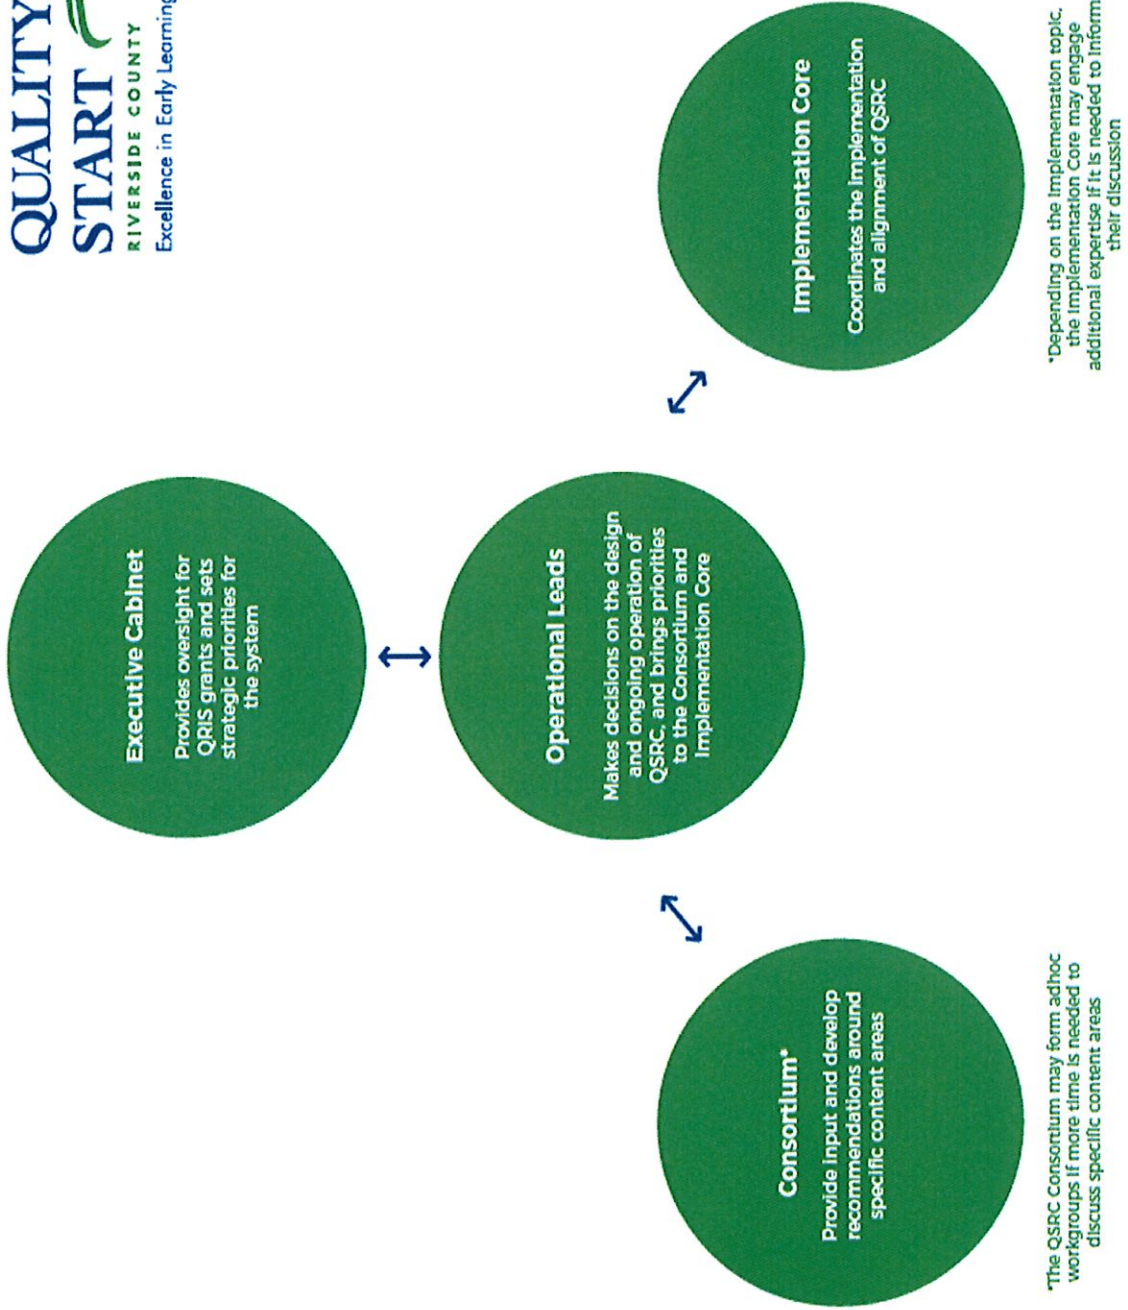

The Consortium for Early Learning Services envisions that all families will have access to quality, affordable child care services.

WHAT IS THE ROLE OF THE LOCAL PLANNING COUNCIL?

The LPC provides advocacy and resources in the **establishment and support of quality, affordable and accessible child care services** for children and families in Riverside county through community partnerships.

The Consortium for Early Learning Services envisions that **all families will have access to quality, affordable child care services.**

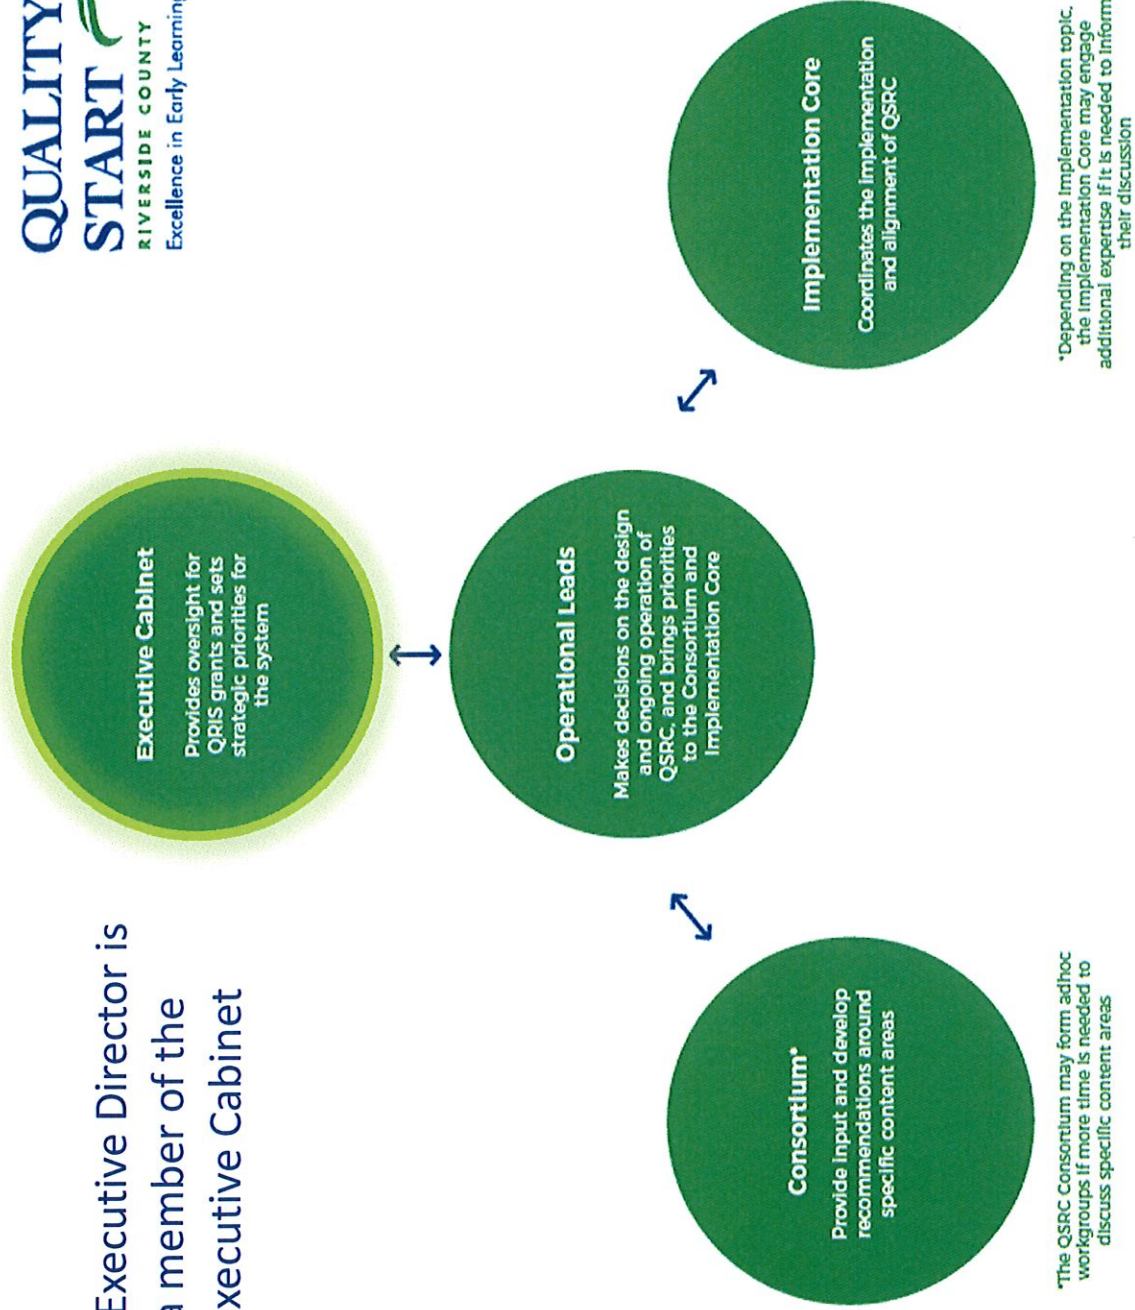

Sustainability Through Integration

*Depending on the implementation topic, the Implementation Core may engage additional expertise if it is needed to inform their discussion

*The QSPC Consortium may form ad hoc workgroups if more time is needed to discuss specific content areas

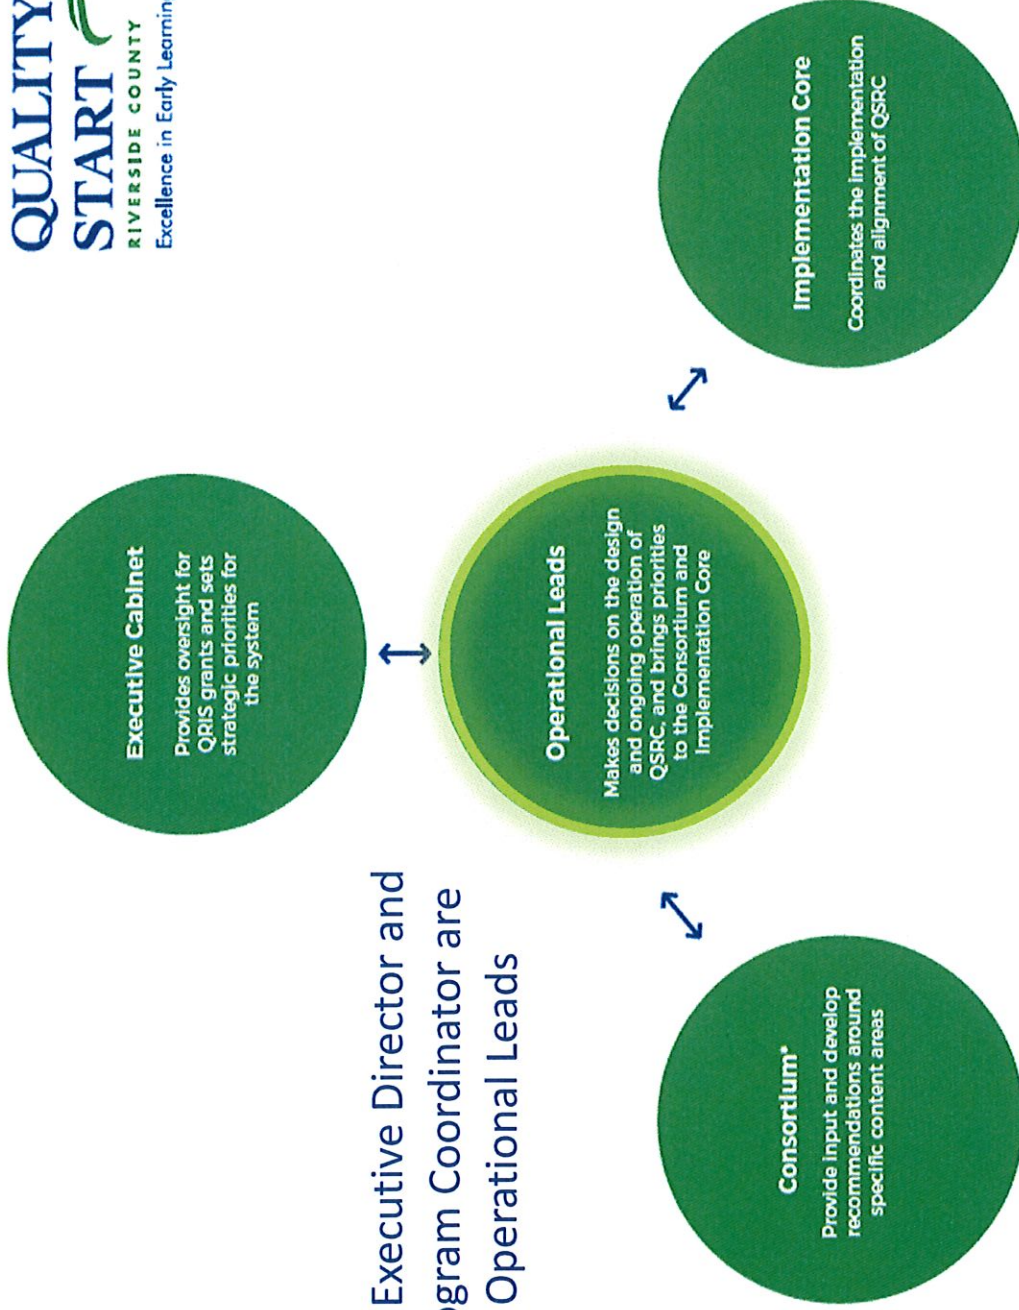

LPC Executive Director is
a member of the
Executive Cabinet

*Depending on the implementation topic, the Implementation Core may engage additional expertise if it is needed to inform their discussion

*The QSRC Consortium may form ad hoc workgroups if more time is needed to discuss specific content areas

*The QSRC Consortium may form ad hoc workgroups if more time is needed to discuss specific content areas

*Depending on the implementation topic, the Implementation Core may engage additional expertise if it is needed to inform their discussion

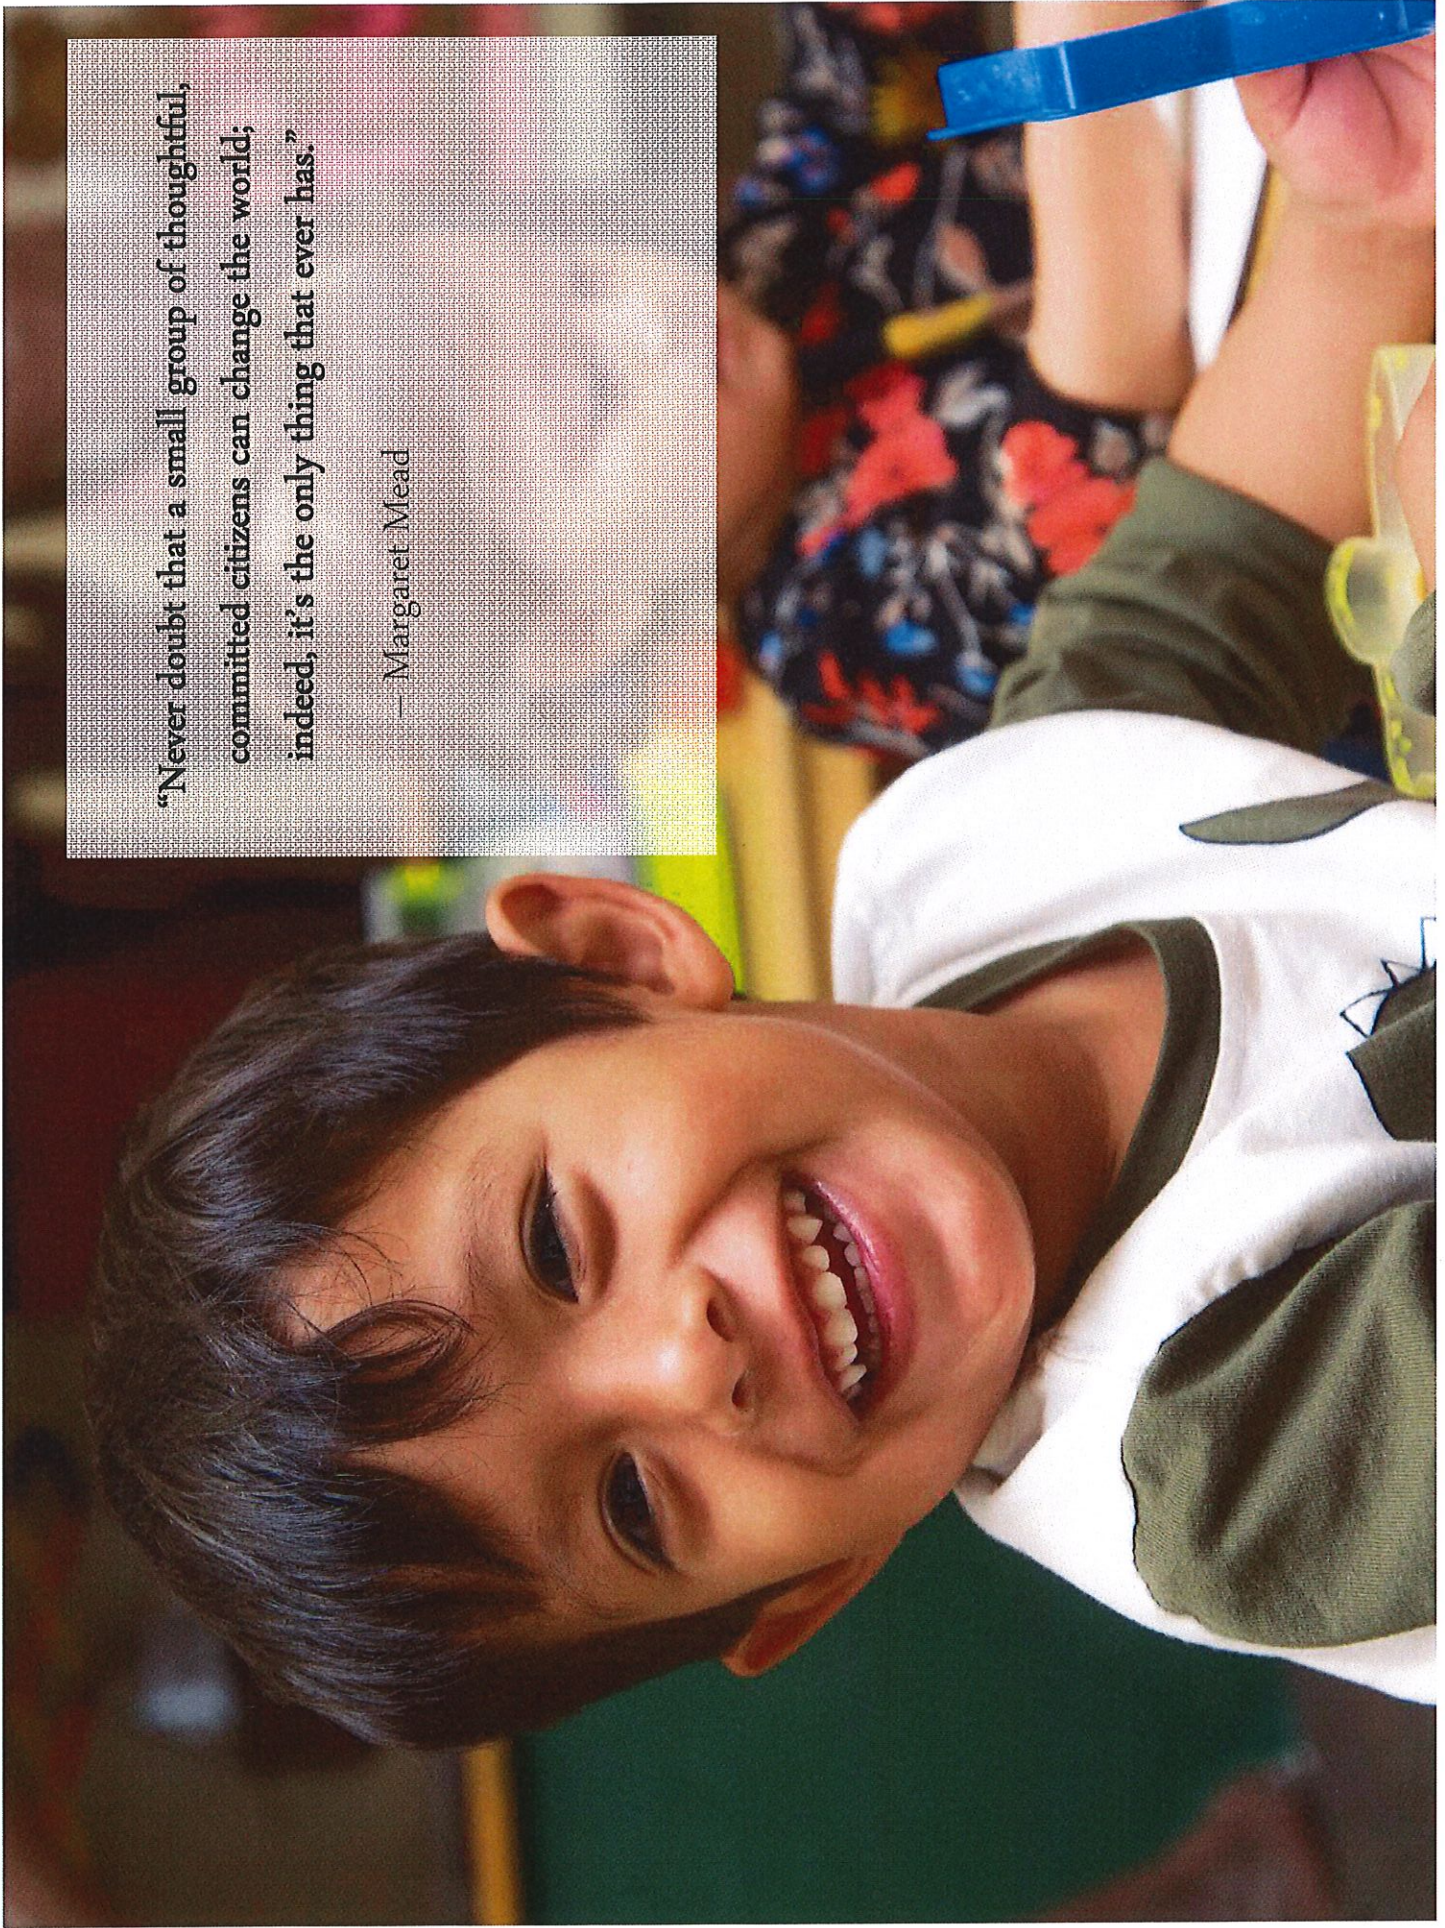

Multiple LPC staff are members of the Consortium

“Never doubt that a small group of thoughtful,
committed citizens can change the world;
indeed, it's the only thing that ever has.”

— Margaret Mead

Thank You!
